I am pleased to write a letter of recommendation to support **Mr. Ahmad Maher Ibrahim Al Sayeh** for his applies for a research degree (Ph.D). **Mr. Al Sayeh** was a graduate student in Psychiatric and Mental Health program at Hashemite University. The program is designed to provide an extensive educational experience of the public university. To be accepted, a student must have high GPA scores, be an excellent writer, and have very good high school grades. Students fulfill their course requirements by taking courses or by selecting a combination of classes with a heavy emphasis on graduate seminars and independent reading courses. Students must maintain a GPA of 3.0 or better out of 4.0 in all courses in order to remain in the program. **Mr. Al Sayeh** has fulfilled this requirement admirably.

Mr. Al Sayeh is an enthusiastic, energetic, and exceptionally well-organized student. He is widely read, and demonstrates good quantitative skills. In my Psychiatric courses, he was from the best students in the class. He always came to class prepared and was clearly understanding and appreciating the course materials.

Sincerely,
Shaher Hamaideh , PhD, RN
